The layout was 1,428 sq. ft. at 1055 Wellington Drive, Lexington, KY behind the Palomar Center off of Harrodsburg Road which is too much space for us to occupy. Ms. Moore will notify Mr. Hoover to see if he could negotiate 1,200 sq. ft. at $18 sq. ft. at Wellington Drive and update the Board. The Board would not be interested in office space at 155 E. Main Street due to insufficient space and parking.
Ms. Moore advised that HB 235 provides for state employees to receive an annual increment on their anniversary date from 3 to 1%. Also, beginning July 1, 2015 a 1% increase will be provided on the annual base salary of each state employee on their anniversary date for FY 2016.

**Old Business**

Committee Update re: Proposed 2015 Law Changes Re: KRS Chapter 314A00

Ms. McDaniel discussed the need to increase fees by $25 or by 20% except for students and temporary status. Mr. Smithern stated 20% across the board for all the other licensure credentials issued by the Board. Ms. Moore suggested combining the application and certification fees into one fee to decrease confusion.
Dr. Powell asked how much it costs in a two-year cycle to operate the Board? Our budget allotment for 2014 and 2015 is $402,800.00 but our revenue generates only $365,107.82. Soon we won’t have enough revenue to cover our bills.

Ms. McDaniel will continue to confer with Tina Siddon, Government Liaison with the KY Society Respiratory Care on the Board’s intention to raise fees and retain support from the professional organization.
